9. Meeting and Lecture List

1. Shimizu S:
   Remote education of surgery: Invitation to Myanmar
   First International Conference Endoscopic Surgical Society (Myanmar)
   Yangon, Myanmar, 2014/02/1-2, Invited lecture

2. Shimizu S:
   Telemedicine advances in Asia
   Asia eHealth Information Network
   Manila, Philippines, 2014/03/28, Invited lecture

3. Shimizu S:
   Connecting the World for Standardized Medicine Using the Telemedicine Technology
   The 4th Asian Perioperative Nurses Association (ASIORKA) Conference
   Fukuoka, Japan, 2014/10/10-11, Invited lecture

4. Shimizu S:
   Telemedicine Activities with Latin America 2014
   Chile-Japan Academic Forum at U Tokyo ICT / Big Data Workshop
   Tokyo, Japan, 2014/10/08-09, Workshop

5. Shimizu S:
   Global surgical educations using broad band internet
   The 20th Biennial Surgeons' Conference
   Yangon, Myanmar, 2014/10/17-19, Workshop

6. Shimizu S:
   Future of Telemedicine
   Association of Mexican Gastroenterology 2014
   Cancun, Mexico, 2014/11/15-19, Invited lecture

7. Nakashima N:
   Medical Field Japan Britain Big Data Research
   Big Data in Medical Applications
   Tokyo, Japan, 2014/02/06

8. Nakashima N:
   eHealth checkup and Tele-consultation program in Bangladesh
   The 8th Asia Telemedicine Symposium
   Fukuoka, Japan, 2014/12/12
9. Nakashima N:  
An Affordable, Usable, Sustainable, and Preventive Healthcare System for Unreached People  
Big Data French Japanese Conference 2014  
Tokyo, Japan, 2014/11/19, Invited Lecture

10. Nakashima N:  
Portable health clinic and telemedicine by sensor network in Bangladesh  
Keynote speech in mobile health APAMI2014  
Delhi, India, 2014/11/02

11. Nakashima N:  
Healthcare Intervention by Remote IT in Bangladesh  
CJKMI2014  
Daegu, Korea, 2014/10/27, Keynote speech

12. Nakashima N:  
eHealthcare for disabilities  
APAN 38th meeting  
Nantou, Taiwan, 2014/08/13, Remote Lecture

Applicability of Portable Health Clinic for ageing Society,International Conference on Human-Computer Interaction (HCI International)  
Crete, Greek, 2014/06/22

14. Nakashima N:  
Healthcare and Big Data Analysis in Bangladesh  
Event with Estado Plurinacional de Bolivia Teleconference for Telemedicine with TEMDEC  
Fukuoka, 2014/06/19, Remote Lecture

15. Nakashima N, Ahmed A:  
Healthcare and Big Data Analysis in Bangladesh  
xTURP Open Seminar 2014  
Fukuoka, Japan, 2014/03/26

16. Nakashima N:  
Healthcare and Big Data Analysis  
First Kitsuregawa Big data project International Symposium  
Tokyo, Japan, 2014/03/17

17. Nakashima N:  
“Portable Health Clinic” a Remote Medicine Trial in Developing Countries  
APAN 37th meeting  
Bandung, Indonesia, 2014/01/21
18. Nakashima N:  
Medical Field Japan Britain Big Data Research  
Big Data in Medical Applications  
Tokyo, Japan, 2014/02/06

Empowering the healthcare worker using the Portable Health Clinic  
The 28th IEEE International Conference on Advanced Information Networking and Applications (AINA)  
Victoria, Canada, 2014/05/13

Applicability of Portable Health Clinic for ageing Society  
International Conference on Human-Computer Interaction (HCI International)  
Crete, Greece, 2014/06/22

21. Oe K, Okamura K:  
A hybrid storage system composed of On-The-Fly Automated Storage Tiering (OTF-AST) and caching  
Proceedings of CANDAR'14  
Shizuoka, Japan, 2014/12/10-12

22. Oe K, Okamura K, etc.:  
On-The-Fly Automated Storage Tiering (OTF-AST)  
Proceedings of ACIS 2014  
Nha Trang, Viet Nam, 2014/12/1-3

23. Sahri NM, Okamura K:  
Openflow Path Fast Failover Fast Convergence Mechanism  
Proceedings of Research Network Workshop 2014

24. Allakany A, Okamura K:  
Distributed GA for Popularity Based Partial Cache Management in ICN  
Proceedings of Research Network Workshop 2014

25. Sahri NM, Okamura K:  
Fast Failover Mechanism for Software Defined Networking · OpenFlow Based  
Proceedings of International Conference on Future Internet Technologies 2014 (CFI2014)  
Tokyo, Japan, 2014/06/18-20

26. Allakany A, Okamura K:  
Distributed GA for Popularity Based Partial Cache Management in ICN  
Proceedings of International Conference on Future Internet Technologies 2014 (CFI 2014)  
Tokyo, Japan, 2014/06/18-20
27. Kudo K:
   Information Sharing Technology: Experience of AdobeConnect
   The 8th Asia Telemedicine Symposium
   Fukuoka, Japan, 2014/12/12-13, Oral

28. Kudo K:
   Information Sharing Technology: Med-hok: Database for APAN Medical community
   The 8th Asia Telemedicine Symposium
   Fukuoka, Japan, 2014/12/12-13, Oral

   Telemedicine combined with Data Set of Medical Tourism Reduces Risk of Patients and Hospitals
   18th ISfTeH Conference
   Takamatsu, Japan, 2013/10/18-19, Oral
